As accidents will happen, even in well regulated fami lies, it is very desirable to have some cheap and conve-ulent way for repairing Furniture, Toys, Crockery, &c. SPALDING'S PREPARED GLUE neets all such emergencies, and no household can af-ord to be without it. It is always ready and up to the sticking point. There is no longer a necessity for limping chairs, splintered veneers, headless dolls and broken cradles. It is just the article for cone shell and other cramental work, so popular with ladies of re-finement and taste.

This admirable preparation is used cold, being chem-ically held in solution, and possessing all the valuable qualities of the best cabinet-maker's Glue. It may be sed in the place of ordinary mucilage, being vastly more adhesive.

Photography upon Porcelain. Secured by Letters Patent in the United States, England, France and Bel-The American Photographic Porcelain Company. Company. No. 781 BROADWAY, NEW YORK,

Having secured their novel and ingenious invention by

American and European patents, are fully prepared to execute all orders for "MINATURE LIKENESSES OF PER ONS ON CHINA," presenting all the attractive

and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and

the brilliancy and finish of a water-color drawing, and a hitherto unattained quality of durability, by being rendered as imperishable as the natural properties of the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of irregularity—portraits can be reproduced with faultless accuracy, and delicacy of delineation, upon Porcelain wares of any description and dimension used as articles of luxury or of household utility, such as URNS, VASES, BREAKFAST CUPS, TOI-LET ARTICLES, &c.; thereby securing faithful portraits and furnishing an unique and exquisite style of ornamentation of articles thereby securing maintain portraits and insigning and erquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the Pine Arts desirous of having Portraits on Porcelain, the Company have imported from Enrope a collection of superior porcelain goods, manufactured to their own order, which they sail at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford People in every section of the Union an opportunity to possess Portraits on China, to make the toilowning proposition to residents in the country, who are unable to visit personally the Ateller and Galleries in New York: Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York, accompanied by five Bollars, will receive in return by express, free of other charge, a richly ornamented threakfust Cup and saucer, with the portrait transfer of thereon.

By transmitting a daguerreotype and fixe Bollars, they will secure in like manner, a handsome French Vase or Toiles Article, with the portrait reproduced by the patented process.

By sending a pair of daguerreotypes and firmax bollars, they will receive in return a pair of rich Sevice. Vases, with the portrait reproduced by the patented process.

By sending a pair of daguerreotypes and firmax bollars, they will receive in return a pair of rich Sevice. Vases of every quality of finish, ranging in price from Twenty to One Hundred dollars the pair.
